

Dear Friends, Ladies and Gentlemen,

I like to invite you to my exhibition

“GRUPPENBILD

– Holes in people are for breathing or from shooting”

3 through 22 February 2015
opening reception: 3 February, 18.00

META HOUSE PHNOM PENH
German Cambodian Cultural Center
#37 Sothearos Boulevard
Songkhat Tonle Bassak, Khan Chamkarmon
Phnom Penh / Kingdom of Cambodia

This installation features a group of thirty human shaped figures, made of paper – life-sized, movable, vulnerable and dotted with small holes – like shadow play puppets.

I am looking forward to seeing you there,

best regards

Ingrid Heuser
